

2026 Contest List Errata, Clarifications, and Tips

Errata

JRB: The Johann Anton André sonatina should state **Sonatina in A Minor**, Op. 34, No. 2: 2nd mvt. (Rondo) NOT C major. (See clarification)

INB: The Bach piece listed should be **Invention in G Minor, BWV 782**.

INB: Mozart, recommended edition: W. A. Mozart *Sonatas and Fantasies for the Piano* edited by Nathan Broder (Theodore Presser Company ISBN: 978-0-934009-08-9) **Pages 9-12**

Clarifications

JRB: There is some conflicting information online on whether Johann Anton André's Op. 34, No. 2 is his G major sonatina or his A minor sonatina, so please make sure to only use one of these two editions approved by the contest committee:

Note: The IMSLP edition is the entire A minor sonatina, the rondo second movement is the movement that is on the contest list.
